### Privacy & Data Security

Volvera is committed to safeguarding your digital rights, privacy, and data through a **privacy-first design philosophy** embedded in all our products and services.

### Security Highlights

- **Hardware-Level Encryption:**  
All Volvera devices include **secure enclaves and tamper-proof encryption modules**.
- **Local Data Processing:**  
AI features like voice processing, photo indexing, and suggestions are executed **on-device by default**, reducing unnecessary data transmission to cloud servers.
- **Privacy Controls:**

- VolveraOS provides a **granular privacy dashboard** to control app permissions, background activity, and data access logs.
  - Mic/Camera indicators and hardware kill-switch options (Nexus series) enhance user control.
  - **Data Compliance:**
    - Fully **GDPR, India PDP Act**, and **California Consumer Privacy Act (CCPA)** compliant.
    - Annual third-party audits and **white-hat bug bounty programs** ensure continuous hardening.
  - **No Ad Tracking Policy:**
    - Volvera **does not monetize user data** or permit third-party behavioral ads across its ecosystem.
    - Anonymous telemetry (if enabled) is used **solely for performance improvement**.
