

ZX Bank – Business Loans

ZX Bank supports entrepreneurs, small businesses, and corporates across South Asia with a comprehensive suite of **Business Loans** designed for growth, innovation, and resilience.

Why Choose ZX Bank for Business Loans?

- **Pan-South Asia Presence:** Access loan solutions in India, Sri Lanka, Bangladesh, Bhutan, and Nepal.
 - **Fast Approvals:** Streamlined e-KYC and digital application process.
 - **Customized Solutions:** Products tailored for SMEs, corporates, exporters, and women-led businesses.
 - **Flexible Repayment:** Options designed to match your cash flow cycles.
 - **Digital Banking:** Manage your loan through the ZX Bank Asia app or NetBanking.
-

Types of Business Loans Offered

1. Working Capital Loans

Manage day-to-day expenses, purchase inventory, cover receivables, or fund operations.

2. Term Loans

For business expansion, asset purchase, or infrastructure development. Available both as short-term and long-term tenures.

3. SME Loans

Special category for micro, small, and medium enterprises with minimal paperwork and attractive rates.

4. Trade Finance Solutions

Letters of Credit, Bank Guarantees, Bill Discounting, and other export/import funding.

5. Women Empowerment Loans

Tailored loans for women entrepreneurs and women-led businesses across South Asia.

6. Green & Sustainability Loans

Financing for renewable energy, eco-friendly infrastructure, and climate-smart business initiatives.
