

# Damaged Baggage Policy – CloudWay 24

---

## Overview

At CloudWay 24, we strive to ensure the safety and care of your baggage throughout your journey. However, in the rare event your baggage is damaged during transit, we are committed to addressing your concerns promptly and fairly.

---

## What Qualifies as Damaged Baggage?

Damaged baggage includes: - Broken handles, wheels, or locks - Tears, holes, or serious dents in the baggage structure - Damaged zippers or missing straps - Soiling, stains, or water damage caused by airline handling

### Not Covered:

- Minor scratches, scuffs, or dents consistent with normal handling - Pre-existing damage or overpacked bags - Accessories or items attached to baggage (e.g., removable straps, covers)

---

## Reporting Damaged Baggage

### At the Airport

1. **Report immediately** to the CloudWay 24 Baggage Service Desk before leaving the arrival hall.
2. Fill out the **Damaged Baggage Claim Form** with our representative.
