Award Highlights

Red Dot Product Design Award (2025) – Velvera One Pro

Velvera's signature flagship earned one of the world's most prestigious design distinctions for its synthesis of durable materials, tactile comfort, and timeless visual identity.

Global 100 Most Ethical Companies (2025) – Ethisphere Institute

Recognized among the world's most principled companies for unwavering commitment to transparency, privacy, and social responsibility throughout the organization.

Privacy Innovation Award – European Data Protection Authority (2024)

Commending Velvera for industry-first hardware-based encryption and privacy protocols, setting a new benchmark for consumer device security in the EU.

Gold EcoVadis Certification (2025)

Awarded to Velvera for leading environmental performance, responsible sourcing, and carbon footprint minimization—ranking in the global top tier for sustainable operations.

IF Design Award – Velvera Nexus 1 Pro (2025)

Celebrating excellence in user interface and AI-driven productivity, reinforcing Velvera's leadership in functional minimalism and accessibility.

Editor's Choice – TechRadar Global Awards (2025)

Velvera One Ultra named the premium smartphone of the year for balancing uncompromising security with modern features and standout design.

Velvera remains steadfast in advancing the frontiers of ethical technology, delivering award-winning products and practices that define the future of mobile innovation.
