### **3. Packing & Handling Guidelines**

#### **Sports Equipment**

- Should be securely packed and labeled.
- Oversized items (e.g. bicycles, surfboards) require advance notice.
- Fragile items: Passenger advised to insure against damage.

#### **Musical Instruments**

- Small instruments (up to 115 cm/45 in and 7kg): Allowed as cabin baggage (subject to space and safety).
- Larger instruments: Must be checked-in; special packing recommended; advance notification required.
- For extra protection, a paid seat may be booked for larger valuable instruments (subject to availability).

#### **Hunting & Sport Rifles, Ammunition**

- **Only permitted as checked baggage with:**
    - Valid firearm license(s) and documentation.
    - Prior notification (at least 72 hours before departure).
    - Approval at origin and destination as per local and international regulations.
  - **Packing:** Unloaded, dismantled if possible, in rigid locked cases.
  - **Ammunition:** Limited to 5 kg per passenger, packed separately from firearms, in manufacturer's packaging.
- 

### **4. Advance Arrangement & Approval**

- **Advance notification is mandatory** for all firearms, ammunition, and oversized/fragile items.
  - Submit requests via "Manage My Flight" or contact CloudWay 24 Customer Service.
  - Confirmation required before travel.
- 

### **5. Fees and Charges**

- **Refer to the CloudWay 24 Baggage Calculator for specific rates.**
  - Fees vary by route, item size/weight, and membership tier (SkyPoints 24 members may get fee waivers).
-

## **6. Exclusions and Restrictions**

- No carriage of explosive or incendiary items.
  - Restrictions applied for travel to/from certain destinations due to local laws.
  - Airline reserves the right to refuse any special baggage not meeting safety, security, or compliance requirements.
