

CloudWay 24 Dangerous Goods Policy

As per international aviation safety regulations and CloudWay 24's commitment to passenger safety, certain items are classified as **Dangerous Goods** and are strictly regulated. Please review the following policy to ensure compliance and avoid inconvenience during travel.

General Guidelines

- Prohibited Items:** Items that present a risk to health, safety, property, or the environment are **strictly prohibited**.
 - Declaration:** All dangerous goods must be declared at the time of check-in.
 - Special Permission:** Some items may be allowed only with prior approval.
-
