

Velvera Pad Series — Usage Guide

Getting Started

1. Unboxing and Setup

- **Included in the Box:** Velvera Pad, 33W/45W USB-C power adapter, USB-C cable, Quick Start Guide, SIM ejector tool (Pro models only)
- **Optional Accessories:** Velvera Pencil, Velvera Keyboard

Step-by-Step Setup:

1. Power On:

Press and hold the power button (right edge).

2. Language & Region:

Follow on-screen prompts to select your language and region.

3. Wi-Fi/Network Connection:

- All models: Connect to Wi-Fi 6/6E.
- Pad Pro: Optionally insert nano SIM for 5G cellular network.

4. Google Account Sign-In:

Sign in to your Google account for Play Store and sync services.

5. System Updates:

Allow Velvera UI to check for and install available updates.

2. Charging Your Tablet

- **Charging Port:** USB-C (bottom left edge)
 - **Supported Charging:**
 - Pad 11": Up to 33W fast charging, full charge ~2.5 hours
 - Pad Pro 12.9": Up to 45W ultra-fast charging, full charge ~2 hours
 - **Battery Tips:** Use the included adapter for optimal charging speed. Avoid letting the battery fully deplete for longer life.
-

Everyday Usage

3. Tablet Navigation

Action	Gesture/Button	Description
