

Velvera Watch Series — Usage Guide

Getting Started

- 1. What's in the Box** - Velvera Watch (choose your model) - Magnetic Charging Cable (Standard/Deluxe) or Wireless Charger (Deluxe/Premium) - Quick Start Guide - Additional Ocean Band Strap (included with Premium model)
- 2. Charging the Watch** - Connect the magnetic charger or place the watch on the wireless charging pad. - Attach the charger to a certified power adapter (5V/2A recommended). - The watch will vibrate briefly and display the charging symbol. - Fast charging available: achieve 50% charge in 30 minutes (Standard 42mm); 80% in 40 minutes (Premium 49mm).

Setting Up Your Velvera Watch

- 1. Power On** - Press and hold the side button until the Velvera logo appears.
- 2. Pairing With Your Smartphone** - On your phone, download the “Velvera App” from Google Play or Apple App Store. - Enable Bluetooth and open the app. - Tap “Add Device” and select your Velvera Watch model. - Confirm the pairing code shown on both devices.
- 3. Device Compatibility** - Requires Android 9.0+ or iOS 13+. - Ensure Bluetooth and location services are enabled for seamless connectivity.

Wearing Your Watch

- Strap your Velvera Watch snugly on your wrist, about 1 finger's width above your wrist bone.
 - Adjust straps for comfort—choose between Fluoroelastomer, Leather, Milanese Loop, or Ocean Band (additional straps sold separately).
 - For water activities or diving (Premium 49mm), secure the Ocean Band strap provided.
-

Daily Operations

Navigating the Watch

- **Side Button:** Wake screen, open apps, long-press for voice assistant.
- **Swipe Gestures:**
 - Up/Down: View notifications, control center.
 - Left/Right: Access widgets and customizable watch faces.
- **Always-On Display:** Enabled by default. Adjust in Settings > Display.

Notifications

- Receive calls, messages, emails, and app alerts instantly.
 - Swipe down to open Notification Center.
 - Tap to reply (preset replies on Android, voice input on iOS/Android).
 - Customize notification preferences within the Velvera App.
-

Health and Fitness Features

Monitoring Health

- **Heart Rate:** Continuous monitoring with reminders on abnormal readings.
- **Sleep Tracking:** Auto-detects sleep stages (Deep, Light, REM); view summaries in the Velvera Health App.
- **Step Counter:** Tracks steps, calories, and distance daily.
- **ECG (Deluxe & Premium):** Open ECG app, rest your finger on the side sensor for 30 seconds to record.
- **Blood Oxygen (SpO₂):** Tap SpO₂ icon, keep wrist steady; results appear in 15 seconds.
- **Stress Detection (Deluxe & Premium):** Review stress index and receive guided breathing exercises.
- **Skin Temperature (Premium 49mm):** Measured periodically while worn; alerts for abnormal variations.

Fitness Tracking

- Select activity from Multi-Sport Modes (run, swim, bike, yoga, etc.).
 - For outdoor activities, enable integrated GPS (Deluxe & Premium).
 - Swimming & Diving (Premium 49mm only): Water resistance up to 100m, records dive depth, duration, and water temperature.
-

Connectivity Features

- **Bluetooth:** Standard (v5.2/5.3, model-specific); auto reconnects to paired device.
 - **LTE (Deluxe/Premium):** Activate embedded SIM via carrier for untethered calls/messages.
 - **Satellite (Premium only):** For location sharing and SOS functionality in remote areas.
 - **Wi-Fi & NFC:** Enable in Settings for app downloads, wireless payments, and quick device transfers.
-

Additional Apps & Functions

- **App Store Access:** Download popular fitness, productivity, and lifestyle apps.
 - **Velvera Voice/Assistant:** Press side button or say “Hey Velvera” to activate smart assistant.
 - **Music Storage:** Store up to 8GB of music; pair Bluetooth headphones for cordless listening.
 - **Camera Shutter:** Use watch as a remote camera control for your paired smartphone.
 - **Find My Phone:** Ping your connected device when misplaced.
 - **Wireless Payments:** Register cards in the Velvera App and make NFC payments securely on the go.
-

Watch Faces & Customization

- Long-press the main screen to browse and select from over 100+ watch faces.
 - Personalize complications: weather, calendar, health stats, music, and more.
 - Adjust brightness and always-on settings for battery optimization.
-

Care & Maintenance

- Clean regularly using a soft, lint-free cloth.
 - For water exposure (swimming/diving), rinse gently with fresh water and dry before use.
 - Avoid harsh chemicals to preserve finish (especially Gold, Rose Gold, Ocean Blue).
 - For strap replacement, squeeze the release pins on the back and swap with compatible Velvera bands.
-

Safety & Durability

- Rated 5ATM (50m, Standard/Deluxe) or 10ATM (100m, Premium) for water resistance; avoid pressing buttons underwater.
 - Sapphire Crystal (Deluxe & Premium) ensures high scratch protection.
 - Emergency SOS (Premium): Long-press side button for 5 seconds—initiates location sharing and notifies emergency contacts.
-

Troubleshooting & Support

- For setup or pairing issues: Restart both watch and phone; ensure Bluetooth and permissions are active.
 - If battery drains quickly: Check for always-on GPS, disable unused notifications or background apps.
 - For warranty claims or premium concierge support: Visit www.velvera.com/support or call 1-800-VELVERA.
-

Warranty & Certifications

- Standard 1-year warranty on manufacturing defects.
 - Premium support with 24/7 hotline for Premium model owners.
 - Certified to CE, FCC, IP68, and respective water resistance standards.
-

Important Tips

- Software updates improve features and security—enable auto-update via the Velvera App.
 - Only use Velvera-certified chargers and accessories for safe operation.
 - Regularly back up health and fitness data to your linked account.
